Again it was proven on the same trial by a number of Indian witnesses, that only four shots were fired by the Indians and that all the rest were fired by the Mormons; and that by order of the Mormons the Indians sprang out of the ambush where they lay concealed during the night before the firing, which occurred about sunrise in the morning, and went across the river to scalp and otherwise maltreat the men in their agonies of death but more particularly to save the Mormon who fell in the fight, provided he was not mortally wounded, and told the Indians how they would recognise the Mormon from the Americans, which was by certain peculiar marks on the garment which he wore next to his body; but the will effect a cure when all other means have failed, and poor fellow with the other eight had re- although a powerful remedy do not contain from, ceived a fatal shot and died on the ground with his priestly robe worn next to his body. FOR MAKING LIQUORS. Lacour s Oils require no preparation—only pour the Oil into the Whisky, and shake well. The Liquors thus made will have a true natural aroma, a full, rich. coily taste; a beautiful transparent color and a fine bead.
